Dina Mitrani Gallery is pleased to present *Exposures II*, a group exhibition marking the second anniversary of the gallery, a Wynwood Art District space specializing in international contemporary photography.

This exhibition features the work of Mario Algaze (Cuba/Miami), Pablo Cabado (Argentina), Marina Font (Argentina/Miami), Pompei Gutnisky (Argentina), Roberto Huarcaya (Peru), Carlos Irijalba (Spain), Peggy Levison Nolan (Miami), Colleen Plumb (Chicago), Alexandra Rowley (New York), Kanako Sasaki (Japan) and Guillermo Srodek-Hart (Argentina).

After two years, the gallery continues its mission to create a platform where artists, collectors and students have the opportunity to explore and appreciate the artistic dialogues created by emerging and established photographers. The gallery has hosted artist talks, as well as panel discussions about photography's history and future and plans to continue its lectures for the enrichment of the community. Collaborations with independent curators and other photographic galleries and institutions are also an important element of the gallery's program.

The gallery offers professional advisory services to novice and established collectors, both private and corporate. For more information, please contact dinamitrani@gmail.com.
